## **MV POWER GLOSS** (Super Concentrated Bodywork Shampoo Conditioner)

---

**MV Power Gloss** is an Emerald aqueous bodywork shampoo conditioner specially formulated for the rapid removal of traffic film, grease and road grime from car paintwork.

**MV Power Gloss** will greatly assist in preserving the overall finish and appearance of bodywork. Special additional ingredients including rust inhibitors form a glossy water repellent barrier, which protects the paintwork.

**MV Power Gloss** is fully biodegradable so after use it is broken down into harmless materials by normal water treatment and natural process. It is non-toxic and non-flammable.

### **How to use**

#### **Methods**

**Power Gloss** can be applied manually or through a pressure washer and will be effective in hot or cold, hard or soft water.

#### **Concentrations**

Dilute the super concentrate (neat product) to 10:1 (e.g 100ml **MV Power Gloss** to 1000ml of water to obtain standard strength **MV Power Gloss**)

Then re-dilute this solution up to 50:1 according to the degree of soiling.

In general the recommended dilution rates are:

Light Cleaning: 50:1 (i.e. – 500:1)

Medium Cleaning: 20:1 (i.e. – 200:1)

Heavy Cleaning: 5:1 (i.e. – 50:1)

#### **Typical Applications**

**MV Power Gloss** is so versatile, that it can be used on the inside and outside of a vehicle, making a particularly cost effective product to use in the overall maintenance of vehicles. **MV Power Gloss** can be used on: Bodywork, Chassis, Carpets, Vinyl, Upholstery, Windows and Leather.

#### **Health & Safety**

See Separate: “SAFETY DATA SHEET” for information
